

## ***Growing Places***

We are called to be disciples, or learners, of the way of Jesus Christ. When we live yielded to the Lord's will and plan for us, we live in a place of tremendous growth. It *isn't* always comfortable, but it *is* always exciting.

### ***So, how about you?***

Have you felt something fresh in your spiritual journey recently? Or has the path become a little too planned, and slightly predictable? Too many of us identify with the well-worn path of commonplace living, and wonder if we're experiencing all that God means for us.

Come explore the growing places of life with us, and let your soul be awakened in a new way!

"Strength! Courage! Don't be timid; don't get discouraged. God, your God, is with you every step you take."  
Joshua 1:9 (Msg)

## Featured Speaker

### Christy Foldenauer

Christy Foldenauer is a gifted communicator who captures listeners by unfolding biblical truths and applying them to the ordinary moments of everyday life. Many of her teachings explore the wholeness that can be found through Christ, inspiring transformation and helping listeners to grow closer to God. From tears of laughter to the a-ha moments we all hope for in life, Christy speaks with authority and brings a biblically based message, peppered with real-life experiences and relatable examples.

A wife and mother of three (Ashton, age 5; Lauren, age 3; Nate, 10 months), Christy engages people at every stage of their walk with Christ, and her practical teaching helps them know the Lord in a deeper way. Christy travels from Richmond, Virginia. When she's home, she enjoys reading and writing (but definitely not arithmetic), especially with a spiced chai in hand.
